

TOGETHER FOR THE NATIONS

Medical Missions

THE WORLD'S GREATEST PROBLEM IS
LOSTNESS

59% of the world's population has little to no access to the gospel. Together, we can send and sustain missionaries to make Jesus known among the nations.

Caring for the needs of people is integral to the missionary tasks of evangelism, discipling new believers, training leaders and forming healthy churches. Healthcare missions gives access to the unreached, allows for intimate conversations, meets needs, makes disciples and empowers the church.

If you are a healthcare professional, student, church leader, or just interested in healthcare missions, join us to network with other like-minded healthcare professionals, learn about new effective health strategies, and become better equipped for short term mission opportunities.

Saturday, April 20, 2024; 9 a.m. - 4 p.m. (lunch included)
